

# Family Medicine w/ OB Opportunity

## -- Atchison County, MO --

*Enjoy the best of both worlds!*

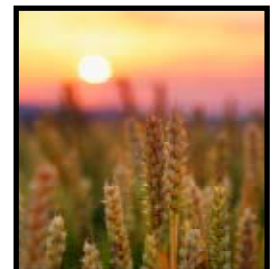

### About Atchison County

- Work and live in a family-friendly community located less than 2 hours from Kansas City, St. Joseph and Omaha!
- Fairfax and the surrounding towns of Rock Port, Tarkio and Mound City are located in scenic Northwest Missouri
- Atchison County is home to 6,000+ residents and hosts annual community events such as a fly-in air show and the Tarkio Rodeo. Rock Port is the nation's only 100% wind-powered community
- Nearby Maryville, home of Northwest Missouri State Univ., offers top-ranking public schools, a recreational lake, a championship golf course, as well as unique shopping and dining

### About the Opportunity

- Compensation in 75th percentile of MGMA.
- Excellent work / life balance with 1:4 call schedule
- Loan repayment available
- Perform a full spectrum of Family Medicine procedures including c-sections, colonoscopies & more
- Enjoy low cost of living & generous benefits
- New 49,090 sq ft facility opening in September of 2010
- Community Hospital is a not-for-profit 18-bed critical access hospital that serves the population of three local counties.
